| Pole Mounting Kits                                                                 |             |                              |           |
|   | PMKG-26     | For 6" Enclosure - 2" Pole   | 1 EA      |
|                                                                                    | PMKG-28     | For 8" Enclosure - 2" Pole   | 1 EA      |
|                                                                                    | PMKG-210    | For 10" Enclosure - 2" Pole  | 1 EA      |
|                                                                                    | PMKG-212    | For 12" Enclosure - 2" Pole  | 1 EA      |
|                                                                                    | PMKG-214    | For 14" Enclosure - 2" Pole  | 1 EA      |
|                                                                                    | PMKG-216    | For 16" Enclosure - 2" Pole  | 1 EA      |
|                                                                                    | PMKG-224    | For 24" Enclosure - 2" Pole  | 1 EA      |
|                                                                                    | PMKG-36     | For 6" Enclosure - 3" Pole   | 1 EA      |
|                                                                                    | PMKG-38     | For 8" Enclosure - 3" Pole   | 1 EA      |
|                                                                                    | PMKG-310    | For 10" Enclosure - 3" Pole  | 1 EA      |
|  | PMKG-312    | For 12" Enclosure - 3" Pole  | 1 EA      |
|                                                                                    | PMKG-314    | For 14" Enclosure - 3" Pole  | 1 EA      |
|                                                                                    | PMKG-316    | For 16" Enclosure - 3" Pole  | 1 EA      |
|                                                                                    | PMKG-324    | For 24" Enclosure - 3" Pole  | 1 EA      |
|                                                                                    | PMKG-46     | For 6" Enclosure - 4" Pole   | 1 EA      |
|                                                                                    | PMKG-48     | For 8" Enclosure - 4" Pole   | 1 EA      |
|                                                                                    | PMKG-410    | For 10" Enclosure - 4" Pole  | 1 EA      |
|                                                                                    | PMKG-412    | For 12" Enclosure - 4" Pole  | 1 EA      |
|                                                                                    | PMKG-414    | For 14" Enclosure - 4" Pole  | 1 EA      |
|                                                                                    | PMKG-416    | For 16" Enclosure - 4" Pole  | 1 EA      |
|  | PMKG-424    | For 24" Enclosure - 4" Pole  | 1 EA      |
|                                                                                    | PMKG-128    | For 8" Enclosure - 12" pole  | 1 EA      |
|                                                                                    | PMKG-1210   | For 10" Enclosure - 12" pole | 1 EA      |
|                                                                                    | PMKG-1212   | For 12" Enclosure - 12" pole | 1 EA      |
|                                                                                    | PMKG-1214   | For 14" Enclosure - 12" pole | 1 EA      |
|                                                                                    | PMKG-1216   | For 16" Enclosure - 12" pole | 1 EA      |
|                                                                                    | PMKG-1224   | For 24" Enclosure - 12" pole | 1 EA      |

## Features and Benefits

These kits contain all galvanized steel components and zinc-plated steel fasteners, designed to securely fasten your Integra enclosure to a metal pole
