

1/2" Single-Ended

- Knurled nut suitable for tool mounting
- Micro AC dual key
- Gold-plated contacts
- Yellow cable

Technical Specifications

Number of poles	3	4	5
Electrical data			
Operating voltage maximum	250 V AC/DC	250 V AC/DC	60 V AC/DC
Operating current maximum	4 A	4 A	4 A
Ambient conditions			
Ambient temperature	-25 ... 90 °C for body, Information on cable quality see "Raw cable" on page 1088		
Mechanical data			
Contact elements	Spring-loaded contact sockets		
Degree of protection	IP67/IP69K		
Material			
Contacts	CuSn / Au		
Contact surface	Au		
Body	TPU, yellow		
Coupling nut	Brass, nickel-plated
